A CALL FOR VOLUNTEERS

CAN Assist Hay, which provides crucial support to cancer patients in the Western Riverina, is in urgent need of funds and volunteers after taking a hit during the pandemic. President and treasurer Marg Booth has encouraged younger volunteers to come on board. "You might only be called upon once a year, but the support is still much needed and appreciated," she said. She has thanked insurance company [greenslips.com.au](https://www.greenslips.com.au) for their recent support.
