IN BRIEF

SLIP SUPPORT

THE expenses associated with cancer treatment can be astronomical and any help can be huge for patients, which is why a new deal between Can Assist Tamworth and greenslips.com.au could have a major impact.

Green slips put a fair dent in the wallet and for many cancer patients its not a cost they can avoid paying with easy access to transport an absolute must-have.

Thankfully for some people who use Can Assist Tamworth, that will no longer be a worry for them after greenslips.com.au agreed to cover the entire cost of the insurance.

Can Assist Tamworth secretary Pam Whitney, who is herself a cancer survivor, said the help will be welcomed.

"You can't live here without a car. If you live on the outskirts of town, there's no way of getting around," she said.
